XXVI National Congress of Veterinary Parasitology and International Symposium
“CURRENT CONCEPTS IN DIAGNOSIS AND CONTROL OF PARASITIC DISEASES TO COMBAT CLIMATE CHANGE”

15th to 17th February, 2017

Organized by
Department of Veterinary Parasitology
Veterinary College, Vinobanagar, Shimoga 577 204.
Karnataka Veterinary, Animal and Fisheries Sciences University, Bidar.

Under the aegis of
Indian Association for the Advancement of Veterinary Parasitology (IAAVP)
Tourist Places in & around Shimoga

Shimoga is a true picture of nature’s bounty landscapes dotted with waterfalls, swaying palms and lush paddy fields make for picturesque locales. The enchanting natural scenery of hills, green dales, rivers and dense forest, temples and historical places, sandalwood & spices add to this mouth watering cuisine and touching hospitality and you know you’ve got “Heaven on Earth”.

DEPARTMENT OF VETERINARY PARASITOLOGY

The Department of Veterinary Parasitology is well established in the college and is engaged in teaching, research and extension activities with well equipped laboratory facility for the analysis of clinical samples providing diagnostic services to the farmers and wildlife centres of Shimoga. Further, the Department is regularly carrying out research work in the area of immunological and molecular diagnosis of parasitic diseases.

VENUE AND LOCATION

Department of Veterinary Parasitology, Veterinary College, Vinobanagari, Shimoga. From the state capital Bengaluru, Shimoga is around 227 kms (5 hrs Journey) and is well connected by road/rail. Several buses from Bengaluru, including Multi axle/Volvo services are available throughout the day. Many trains run from Bengaluru and Mysuru to Shimoga and the Birur Junction is well-connected to the most parts of India by train which is 60 kms from Shimoga.

SCIENTIFIC SESSIONS

The three day symposium will include keynote addresses followed by four scientific sessions, young scientist & oration awards. Each session comprises lead papers with oral & poster presentations. Poster of size 3x4 ft with title, name of the authors, address of institutions, objectives materials & methods, results & conclusions may be prepared and brought to the conference.

Session I: Parasitic diseases of livestock, companion, laboratory animals, wildlife and poultry

Session II: Parasitological, immunological and molecular diagnosis of parasitic diseases

Session III: Chemotherapy, phytotherapy, biocontrol and immunoprophylaxis for control of parasitic diseases

Session IV: Parasitic zoonoses

Session V: Oral presentation for Dr. J.P. Dubey Young Scientist Award & Oration awards

Dr. J.P. Dubey Young Scientist Award 2017

Applications are invited from the life members of IAAVP (Young Scientists with minimum qualification of M.V.Sc degree in Veterinary Parasitology and not above the age of 35 years) for Dr. J.P. Dubey Young Scientist Award. They are requested to submit two typed copies of full length research papers based on original research in Veterinary Parasitology written in the format of J.Vet.Parasitology, along with an extended abstract (300 words) of the paper to Dr. C. Sreekrishna, Editor-in-Chief, Journal of Veterinary Parasitology, Post Graduate Research Institute in Animal Sciences, Kattupakkam, TANUVAS, Kancheepuram District, Tamil Nadu 603203 (Email ID: sreekrishna@gmail.com and Mob: +91-98419 06211) on or before 31st December, 2016. Necessary documents like age proof and educational qualifications should also be attached with the manuscript.
