I. INTRODUCTION

Realizing the loss of two decades of prime development in the growth of animal husbandry, dairy and fisheries under Agricultural Universities set up, the Government of Karnataka took bold steps in establishing the new University called Karnataka Veterinary, Animal and Fisheries Sciences University on the floor of the Legislative Assembly. The KVAFSU was formed as per the Karnataka Act No. 9 of 2004 called The Karnataka Veterinary, Animal and Fisheries University Act 2004 and published in the Karnataka Gazette Extra-Ordinary on the 23rd day of February, 2004. The University was established exclusively for the development of education and learning; conduct of research and extension education and transfer the rural oriented technologies in the areas of Veterinary, Animal, Dairy and Fisheries Sciences in Karnataka. The logo of the University is inscribed with the slogan Farmers Friendly and Rural Oriented, which emphasizes the importance given to betterment of farming community.

KVAFSU is an autonomous academic institution governed by its Board of Management which regulates the polices of the university in accordance with the provision of act and statues. The University administration also has the support of the finance Committee. Academic matters are looked after by the Board of Studies of Faculties and the Academic Council, while Research Council and Extension Education Council decide the research and extension activities of the University, respectively.

The University offers Post Graduate Degree program in Veterinary and Animal Sciences at four constituent veterinary colleges at Bidar, Bangalore, Shimoga and Hassan. In addition, post graduate courses in different disciplines of Dairy Science & Fisheries Science are being offered at Dairy Science College, Bangalore and College of Fisheries, Mangalore.

The detailed procedure for conducting common admission to the Master's/Doctoral degree programmes in Constituents Colleges of KVAFSU, Bidar is as follows.
