SOUTH ZONAL IAVP CONFERENCE - 2024

VI Meeting of Indian Association of
Veterinary Pathologists (South Zone) and
NATIONAL SYMPOSIUM

on

Recent Advances in Diagnosis of Infectious, Non-infectious &
Zoonotic Diseases of Domestic and Wild Animals

Date : 26th & 27th September 2024

Organized by

DEPARTMENT OF VETERINARY PATHOLOGY

Veterinary College

Karnataka Veterinary, Animal & Fisheries Sciences
University, Bidar

Vinoba Nagar, Shivamogga - 577 204

and

Indian Association of Veterinary Pathologists

About the Venue

Veterinary College, Shivamogga constituent college under KVAFSU, Bidar was established in the Year 2006. The college is regulated by Veterinary Council of India and imparting quality education as per MSVE regulations. Presently, the College is functioning in an area of around 172 acres at Vinoba Nagara, Shivamogga. Apart from the primary objective of producing competent Veterinarians, the college is extending extension services to the farming community in Malnad region, State Departments as well as to the Wild life Department.

Shivamogga is located on Bengaluru - Honnavara National Highway and well connected by bus, train & air. It is called cultural capital of Karnataka & gateway of Malnad.

About the Organizing Department

The Department of Veterinary Pathology was established in 2006 and since then is involved in UG teaching & PG teaching started from 2017. Till date, six batches have completed (18 students) MVSc degree in Veterinary Pathology. The department has well equipped laboratories consisting of clinical pathology, histopathology, tissue processing facility, Photomicrography unit and PG research laboratories.

Faculty and PG students are actively involved in research, necropsy & clinicopathological diagnostic services to field veterinarians, livestock farmers & research institutes. Field applicable trainings are conducted time to time for livestock farmers & field veterinarians. Faculty members are also associated with frontier areas of research viz, pathoepidemiology of livestock diseases, toxicopathology, forensic pathology and wild life pathology.

Considering the importance of various diagnostic techniques evolved for diagnosing infectious, non-infectious and zoonotic diseases of Domestic and Wild animals, South Zonal Conference of Indian Association of Veterinary Pathologists & National Symposium on **Recent trends in diagnosis of infectious, non-infectious and zoonotic diseases of Domestic animals** and Wild animals and meeting of IAVP South Zonal members is organized at Veterinary College, Shivamogga on 26th-27th September 2024.

SCIENTIFIC SESSIONS

First Day	Key note address on Future of Vet. Pathologists
Session I	Pathology of Infectious Diseases of Animals
